This is the neatest play hand so far in the Butler Trials:

West leads a spade against 6C after the given auction, which was the one at our table.

South draws trumps, ruffing the spade en route. There is now a 100% play for the contract without needing to guess either red suit. You can run the D8 or play the D5 to dummy's D7 or play the DA, followed by running the D8 (or D5 to D7) to put East on lead.

East can give away a trick in either red suit or concede a ruff-and-discard.

It would not matter if West began with the D9 or D10. South ruffs the second spade and draws trumps. Suppose the layout looked like this:

North

AJ
AJ10
KJ73
KQ74

West	East
Q10872	K9654
Q9654	32
94	Q1062
3	105

South
3
K87
A85
AJ9862

South ruffs the second spade and draws trumps.

These cards remain:

North

AJ10
KJ73
Q7

West	East
Q10	K96
Q9654	32
94	Q1062
---	---

South

K87
A85
J98

South plays the D5, intending to insert the D7. If West plays the D9, South covers with the DJ. East takes the DQ, but the same endplay is achieved.

Some people may have noticed that the Congress Entries have been taken off the website. This was because it has become impossible for the ANC Committee to keep them up to date - all events advertised are occurring
