

WELCOME

It is my very great pleasure to welcome you to Melbourne for the 2011 Australian National Bridge Championships.

This is a wonderful opportunity for the bridge community to get together and compete in a pleasant environment. I am sure you will all agree that the venue is up to expectations, and the surroundings very scenic.

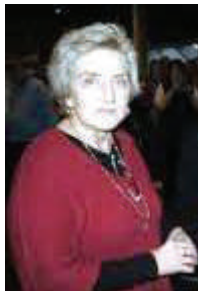

I thank the staff of the Powerhouse Function Centre for their willing assistance in organising this event, and for their attention to detail. I would also like to thank my committee, Kim Frazer, Jenny Thompson, Christine Parkin, Stan Klofa, Simon Hinge, Phill Fent, Stephen Weisz for their valuable contributions. Margaret Yuill has worked tirelessly on the website and I thank her for expertly displaying information. Thank you to Cathie Lachman, our VBA Manager, who has been invaluable in supporting the organising committee and attending to the many tasks that needed to be done.

I do hope that you all enjoy your stay in our beautiful city and I know that you will enjoy sampling our wonderful restaurants.

I wish you success in your bridge endeavours over the next two weeks.

Ed: I particularly liked the friendly and helpful catering staff, who provided a much-needed jolt of caffeine on my arrival.

HAMILTON ONE WEEK, MELBOURNE THE NEXT . . .

Congratulations to the team of Pauline Gumby, Warren Lazer, Michael Wilkinson and Ross Stuart, who made it all the way to the final of the NZ Teams, the last major event at the NZ National Congress, which this year finished on Saturday 23 July.

This meant that a number of players, as well as your editor, had to catch early morning flights to Melbourne on Sunday morning.

Other notable successes at the NZ Congress were Jim Wallis—Siggy Konig, who took out the Swiss Pairs, and Kieran Dyke—Liz Adams, second in the Mixed Pairs.

Teams to make it through to the latter stages of the NZ Teams included DAWSON, Jane Dawson—Bob Richman, Liz Adams—Kieran Dyke, BRAITHWAITE, Andrew Braithwaite—Andrew & Sandra Richman, Jeremy Rosen—Ben Kingham.

I apologise for the lack of hands in this bulletin—lack of sleep and a 4am start today, combined with hardware problems are to blame. *Editor*
