## 2010 BEST BID HAND OF THE YEAR

### THE NEW ORLEANS SUMMER NATIONALS

On this deal from the second semi-final session of the von Zedtwitz Life Master Pairs, Debbie Rosenberg and JoAnna Stansby had an expert auction to the top spot for most of the matchpoints.

- 1) Game-forcing spade raise
- 2) Neutral
- 3) Zero or three key cards
- 4) Third-round control of clubs?
- 5) No

Rosenberg did very well not to jump to four spades over three diamonds. Stansby finagled a diamond control from her partner, used Key Card, then asked for third round control of clubs. When none was forthcoming, she was confident that seven no trump could be no worse than finding spades 2-1 with the clubs 3-2 or the jack in partner's hand or being pickupable, and so it proved. Six clubs was a truly inventive bid.

No challenge here for NS if you find the laydown diamond slam, but one pair ended up in hearts.

1S from East, X from South, West passed and North with an unenviable dilemma bid 2H. South banked on 4-card support and ignored diamonds for better pair score.

How do you make 6H on the obvious spade lead?

It needs careful timing:

Ruff the spade, AK of trumps, KD, finesse to QC and run diamonds. If West ruffs at the first opportunity and plays a spade, ruff in South and use diamonds as "trump substitutes", overruffing whenever West's trump appears.

If West ruffs a later diamonds, don't overruff!

Don't miss the early club finesse. If you don't West ruffs the third diamond, forces you to ruff a spade, and declines to ruff any of the diamonds.

You are stuck with AQ of clubs, with a trump and a losing spade in dummy. Now West finally ruffs the club and you are sunk!
