- Carpooling transport has been organised. If you are not assigned into a car, we have hired a bus that can take up to a maximum of 25 people.

Thanks everyone for coming to the Youth Week. It's been a hectic week and I hope everyone had a fantastic time! I will most likely be back next year to make the bulletins and hopefully we will be able to find a new convenor to help out with some of the work.

This year, the new venue has been quite nice despite the hot weather and the long distance from the city.

It's been quite an experience convening, bulletin-ing, and teaching throughout this week, but I certainly have to thank everyone who have been very supportive in helping me out, especially Dave Thompson (my co-convenor), Griff Ware (lurking ex-convenor), Mat McManus (best director), and Alex Smirnov (best taxi driver). Special thanks to Pete Hollands who did not call in at the last minute on the Saturday to fake their late arrival by saying they were lost.

For all of you who don't know Mat McManus that well, he has been the most

awesome Tournament Director for the Youth Week for the past 22 years. Sadly, this will be his last Youth Week so please thank him and give him a big hug! We will miss you Matty!

Thanks to Susan Humphries for bringing over a ton of New Zealanders across to our Youth Week – maybe soon enough you can also hold your Youth Trials here!

As this Bulletin goes to print, there are only a few rounds remaining in the Selection Butler, to be completed this afternoon.

With just four matches remaining in the second Round Robin, the leaders are Adam and Nabil Edgton (192.00 VPs) from Shane Harrison & Sam Schulz (160.14 VPs). 3<sup>rd</sup> down to 6<sup>th</sup> is very close, with only about a 7VP margin in between. There is a full scoreboard later in the Bulletin, as well as full match records up to Round 14.

A **BIG THANK-YOU** for all the support I have received as the new convenor with Dave Thompson: To our always excellent director **Mat McManus** who makes running bridge events easy, to **Griff Ware** in helping with everything, to **Paul Lavings** for donating the book prizes, to our other bulletin contributors, to **Justin Howard** for donating his What to Bid winner prize and taking care of Lounge 3, to **Pauline Gumby** for webpage assistance, to **Jane Rasmussen** for her help at the ABF Secretariat, to **Dave and Jamie Thompson** for designing and building the screens we currently have in use, to Dave for his BBO organisation and all his other miscellaneous help, to the various people who have been kind enough to come and play with some of our less experienced attendees, to the **ABF Youth Committee** for their input, to the **Warrambui Centre staff** who have been very helpful, to **Alex Smirnov** for helping to organise the lifts to the BBQ, to **NSWBA** for providing the boards, to **Sean Mullamphy** for lending us the dealing machine and making room for Stage II at Rydges Lakeside, to **Christy Geromboux** for the loan of her trailer and her help in transporting the screens, to **Canberra Bridge Club** for the loan of tables and cloths, to William Jenner-O'Shea for providing the previous bulletins, to all who have helped with lifts and accommodation, and **TO THE PLAYERS** for their part in making the event the great experience it is. My apologies if I've missed anyone out here.

## Goulash Pairs

By James Ferguson

Jess and I made up a quick system whereby we were only allowed one bid in the auction and Pass shows a good hand. Here were some of the boards. On Board 12, Jess held:

♠K6 ♥83 ♦AKQ1065 ♣A84 in 3<sup>rd</sup> seat favourable, and heard me Pass to show a good hand. Jess's RHO then opened 1NT to deny any voids. Knowing that I had a good hand, Jess took a shot at 6♦! Full deal:

With Diamonds breaking 3-3, 6♦ made an overtrick! Board 6 was a good one. I held:

♠K5 ♥J ♦Q10 ♣KQJ75432 in 3<sup>rd</sup> seat unfavourable, and Jess opened 2♣ showing a void in Clubs. My RHO doubled, I passed (wanting to play in Clubs), LHO passed, and Jess redoubled. RHO passed, and so did I (still wanting to play in Clubs) and this was passed out! Full deal:

## BBO Operators!

If you have nothing planned this Saturday and Sunday, and would like to get some pocket money, come and see Andy about being a BBO Vugraph Operator. Traian Chira requires 2-4 Operators on the weekend for the Seniors/Womens Teams. Pay is \$3AUD per board.

## Classic Rewind

## Ruff Hand

By Modi

During Friday morning, some of the players played a few hands alongside the Butler Pairs. There was a very revealing declarer play hand that came up.

<i>Cathy</i>	<i>Sophie</i>	<i>John</i>	<i>Helena</i>
-	1♣	P	1♠
P	2♠	P	4♠
P	P	P	
	<i>(Sophie)</i>		
	♠ AQJ9		
	♥ Q74		
	♦ 743		
	♣ K85		
♠ 73 ♥ A632 ♦ JT9852 ♣ J <i>(Cathy)</i>	<div style="border: 1px solid black; width: 60px; height: 60px; margin: 0 auto;"></div>	♠ K54 ♥ K95 ♦ 6 ♣ Q97632 <i>(John Yoon)</i>	
	♠ T862		
	♥ JT8		
	♦ AKQ		
	♣ AT4 <i>(Helena)</i>		

Against 4♠ by Helena, Cathy lead the ♣J.

The lead is quite revealing. Firstly, the lead of the ♣J denies holding the ♣Q. Since Helena has both the Ace and King, she could win in either hand, so she should win the opening lead with the ♣K, to keep the ♣AT sitting over the ♣Q.

The second revealing part of the lead is that Helena held the ♣T. The ♣J lead, especially since dummy has opened Clubs, must almost certainly be a singleton.

There is a good tip here:

**When a lead looks like a singleton, then you should often draw trumps as soon as possible.**

Helena took the normal line of finessing the Spades, but when that lost and a Club came back she had to go one down.

The winning line is to give up on the Spade finesse and play ♠A and then ♠Q. Although the Spade would lose to the King, Cathy has run out of trumps and would be unable to ruff the Club return

## All about Checkback

By Modi

Checkback, and its variations, is an incredibly useful convention. Nearly all top players play some variation of Checkback, which range in complexity and descriptiveness. We will cover a range of versions of Checkback later in the article.

### Relevant side article (Rebid Style):

Assuming you are playing strong 1NT (15-17), and you open 1♣ and partner bids 1♥, what do you rebid here?

- ♠ Q753
- ♥ 43
- ♦ AQ3
- ♣ KQ92

- a) 1♠. I always shows the Major / bid up the line.
- b) 1NT. I always bid NT if balanced
- c) 1NT. This time the ♠ are no good, and it looks No-Trumpy. I would bid 1♠ with better Spades

If you always bid Majors "up the line" (style 'a' above) then the following auction denies four Spades:

1♣     1♥  
1NT

This is a useful fact to know for your partnership. However, the following auction is a little ambiguous:

1♣     1♥  
1♠

This shows four Spades, but could be balanced or unbalanced. This makes it hard for responder to preference Clubs or compete in Clubs later in the auction.

If you always bid NT with balanced hands (style 'b' above) then this auction handles all balanced hands, Spades or not:

1♣     1♥  
1NT

There is a chance you'll miss a Spade fit on a partscore board (not a game hand, enter Checkback!)

However, partner knows that you are unbalanced on this auction:

1♣     1♥  
1♠

Which makes it easier to preference Clubs, and helps bid constructively to the right game.

If you mix and match your rebidding style (style 'c' above), then partner can never be sure what you do and don't have. You do get to tell partner about the most interesting feature of your hand though.

**Style-wise I reckon 'a' and 'b' are equally good, although different. Style 'c' makes it hard to quickly and accurately limit your hand type.**

### Simple Checkback:

Say the auction has begun:

(Partner)	(You)
1♦	1♥
1NT	??

Now you might have only four Hearts, in which case there is no fit and it's probably right to play No-Trumps at some level.

If you have either five Hearts, or four Spades then you'd like to continue bidding to find a fit.

### Enter Simple Checkback!

After the 1NT rebid, simple Checkback is a bid of 2♣ as an artificial enquiry. It simply asks opener for more information: 3 card support for responders Major, unbid 4 card Majors, 5 cards in their own suit. After Checkback, responder can invite by raising to the three-level or bid game/slam as appropriate.

If you play very simple bridge and don't already play Checkback, then maybe start here.

### Two-Way Checkback

One disadvantage of Checkback is that you end up at the three-level after inviting game. A good solution is to play Two-Way Checkback. After the 1NT rebid here is the structure:

2♣\* : Forces opener to bid 2♦\*.  
2♦\* : Game Forcing Checkback.  
2♥/2♠ : Weak hands, Natural.

**After the 2♣ Puppet to 2♦**, any bid by responder is now an invitation:

(Partner)	(You)
1♦	1♥
1NT	2♣*
2♦*	2♥ Invitational with 5 Hearts

Now all the invitations which get refused can stop at the two-level. If responder has a weak hand that wants to play in 2♦, he can puppet to 2♦ and then Pass.

**After the 2♦ Checkback**, opener just bids something sensible and keeps bidding until game is reached.

Here is an example:

♠ AK87	♠ QJ94
♥ Q76	♥ AK93
♦ 42	♦ 63
♣ AJ92	♣ K84
(Partner)	(You)
1♣	1♥
1NT	2♦* (Game Force)
2♥ (3♥s)	2♠ (4 card suit)
3♠ (fit)	4♠
