

Canberra in Bloom Bridge Festival Newsletter #2 16 August 2016

Canberra in Bloom Welcomes Novice Players

The Organisers want to make the Canberra in Bloom one of the leading Novice Gold Point Events on the Australian bridge circuit. To that end, the Festival offers a mix of matchpoint and Butler Pairs and Teams events with separate events for our under 300 MP restricted players. If there are sufficient entries we will run separate sections in the Pairs competitions for the under 100 MP novice players. There will be separate prizes for restricted and novice category winners in all events so get your entries in ONLINE as soon as possible to guarantee there are sufficient numbers to have your own graded competition. The website address is www.abfevents.com.au/events/cib/2016. The Festival is held on the long weekend commencing on Friday 30 September and running through to Monday 3 October.

Pre-entry is required for all Festival events. [Click here](#) to enter securely online and indicate your preferred method of payment. Please note full payment is expected at time of entry and in any event on or before **Wednesday 28 September**

PAYING BY BANK TRANSFER?

Our receiving bank, Beyond Bank, is very fussy and we had problems in 2015 with payments from some players. The correct bank transfer information is as follows: BSB: 805- 022, Acc No: 03558622. **It is very important that you always including the leading zero in the account number.**

In 2016 there will be cash prizes for all events with amounts to be published later once entries are known

BFACT and Canberra in Bloom welcome TBIB on board as a sponsor in 2016. TBIB provide the highest quality, professional insurance advice available to businesses and individuals. We hope to see Steve Weil at the event to showcase their products and services. See their web site at www.tbib.com.au.

**NEW in 2016 - WE NOW ACCEPT PAYMENT
ONLINE BY CREDIT CARD SECURELY THROUGH
AN E-WAY PAYMENT GATEWAY. THERE ARE NO
CREDIT CARD TRANSACTION FEES**
