Canberra in October is an orgy of colour. At every turn, one is confronted by lovingly-tended gardens, trees in blossom and an array of annual and perennial flowering plants. The October long weekend is also the mid-point of Floriade, Canberra's month-long festival of flowers. So it is appropriate to use a floral theme to symbolise Canberra's newest national bridge tournament and its various events. Thus the name Canberra in Bloom Bridge Festival

The opening events of the Festival are the Matchpoint Swiss Pairs. They are named for Canberra's floral emblem, the Royal Bluebell (*Wahlenbergia gloriosa*), and the rare and beautiful Spider Orchid (*Arachnorchis actensis*) which is indigenous to the ACT. The Golden Wattle Open Teams honours our nation's floral emblem *Acacia pycnatha*. The two final events of the Canberra in Bloom Bridge Festival are Swiss pairs. The Open Swiss Pairs is named in honour of Canberra Bells, the floral emblem for Canberra's Centenary in 2013. This charming little shrub is a cultivar of the native genus *Correa*. The Federation Rose Restricted and Novice & Restricted Swiss Teams is named as a tribute to the pink-flowered fragrant rose that was bred in Australia from exotic stock as the floral emblem for the Centenary of Federation.
