3NT	TRF to 4 of minor	
4C and 4D	NAMYATS - Transfer to 4H and 4S, respectively; Less HCP and more distributional than 2C opening	
4NT	specific ace ask	
Negative doubles	Only after a major suit overcall at the one or two level of our 1 of minor opening. All other direct doubles are penalty; some 2 nd round doubles are also penalty (e.g. opener's double of a 4 th seat overcall after partner's 2 over 1 response); others are strength showing (e.g. responder's 2 nd round double generally shows extra strength)	
	Cuebid raises of overcalls, other raises are weaker	
Foster echoes in defence	We give natural count when following suit and discarding. However, when partner leads an honour at trick 1 to a NT contract (honour = Ace through Jack), 3 rd hand plays her second highest card (provides a combination of count and attitude).
