- 1.5 Consumption of alcohol is not permitted in the playing room during session time. Breach of this regulation incurs a disciplinary penalty (see 6.2).
- 1.6 During the session, any electronic communication equipment is prohibited in the playing area and other areas designated by the TO. However any such equipment may be deposited with the TO before each session. Breach of this regulation incurs a disciplinary penalty (see 6.2).
- 1.7 Expressions used in these Regulations and not defined shall have their ordinary meaning in the contract bridge terminology (which may include expressions defined in the Laws of Duplicate Bridge, 2007). In the event of any doubt or dispute as to such meaning, the decision of the Chief Tournament Director (CTD) shall be final and conclusive. Unless repugnant to the context or obvious meaning, all terms defined in the ABF TR shall have the same meaning for the purpose of these Supplementary Regulations.

- 3.3 All players in the team must be eligible to play for Australia as per the ABF's Eligibility to represent Australia Policy detailed in the appendices. Players entering the Playoff warrant their eligibility to play for Australia. If, at any time after the completion of the Playoffs, any member of a team is found not to be eligible, the team in which the player competed will be disqualified.

- 8.2 In triple round robin matches, the line ups for the first round robin will be blind, ie. each captain will post their line-up without knowing the line-up of their opponents. For the second round robin, the team numbered first in the draw has choice. Seating rights will be reversed in the corresponding match in the third round robin.
- 8.3 In a head-to-head Knockout match, the winner of a draw for seating rights may elect to sit first or last for the first stanza. For subsequent stanzas, seating rights alternate.
- 8.4 The team captain is responsible for posting the seating positions of the players on the Line-up Form together with the system being played if more than one has been submitted. Posting must be completed at least 10 minutes and 5 minutes before the scheduled time of commencement of play, for the teams sitting first and last respectively. In the case of blind line ups, posting must be completed at least 10 minutes before the scheduled time of commencement of play. The CTD may alter posting times at his discretion.

The carry-over for any match will be limited to 16 IMPs.

The CTD may ask for medical certificates or other documentary evidence to satisfy himself as to the nature and severity of any illness or injury.
- 9.4 When a player fails to satisfy the board rule, the ABF Management Committee, in its absolute discretion, following a report from the CTD and ABF Tournament Committee, determines the eligibility of the player, the pair, and the team. Consideration is given first to disqualification of the entire team. This decision is made subsequent to the completion of the event and does not change the format of the event.
- 9.5 For the purpose of the Board Rule, where a match is conceded, players who have not yet satisfied the Board Rule are in fact deemed to have played every remaining stanza of the match.
