

Spring Nationals Bulletin

Welcome to the 2003 ABF Spring Carnival.
We have some exciting developments this year, however the session times, parking and lunch arrangements are similar to last year.

On most days play will finish by 7pm so it will be possible to eat at one of Bondi's excellent restaurants.

We wish you all good Bridge.

Frank Budai, Convener

Parking

On-street parking is metered and the Hakoah car park is generally unavailable so go to the Secure Parking under the nearby Swiss Grand.

Collect a ticket from one of the ABF officials and insert **this** ticket to pay as you are leaving the parking station. Parking for the whole day and/or evening will cost only **\$3.50**.

No Evening Sessions

This is good for locals and visitors. Now you can devote 9 hours to bridge, with shortish breaks (1 hour for lunch, 30 mins at 4pm).

This is the WBF and European way, with Americans falling into line. You finish your day's bridge at 7pm, and from then your time is your own.

The SpNWT

The field is 35 teams, compared with 33 last year.

Qualifying is over nine 20-board matches, then the top 2 play a 64 board final on Sunday.

Winners receive 36 playoff points (PQPs), and the runners up 18. Same in the SpNOT, (the more up-market acronym for the SNOT).

Masterpoints

In the Women's Teams (20 bd matches), 4.80 Gold Points per team for each win, divided between all team members.

In the Open Teams, (16 bd matches), 5.12 Gold Points per team, divided between all team members.

Signing In

You will need to sign in each time you arrive at the club.

Smoking

The smoking area at the Hakoah Club is on the ground floor, in the gaming area. Any player found smoking in any other area, in particular the stairwells, will be suspended for either the remainder of the current session, and/or for the following session.

There will be no warnings. **Smoking in the stairwells is against the law!**

Mobile Phones

Mobile phones must be switched off in the playing area. A procedural penalty of 3 VPs (or 9 IMPs) applies to any player whose mobile is switched on unless the director determines that there is a valid (e.g. medical) reason.

Lunch Menus

Menus will be provided during the morning sessions for collection before 12.30. Coffee, including cappuccinos etc, is available. There is a bar on the ground floor.

Charity IMP Pairs

for Mission Australia

This will be held next Thursday 20th November, with a 10 am start.

There will be 3 x 16-board matches.

The boards will be the same as those being played simultaneously in the SpNOT final and scores will be IMPed against the closed room results. Entries to Frank Budai

ABF Alert Regulations

Alert by circling partner's call and saying "Alert" but don't offer an explanation unless asked. Then aim to be concise not complete. **Don't alert** these 'self alerting' calls:

- any double or redouble
- any call beyond 3NT
- a bid in a suit *bid* by an opponent

At the end of the auction the declaring side should offer an explanation of any 'self-alerting' calls.

Do alert:

- All other conventional calls (including Stayman)

Note: This natural-sounding bid:

2 H = hearts & a minor

is conventional because it conveys a meaning other than a desire to play in hearts.

- 'unusual' natural bids

These include: weak jump shift responses, pre-emptive jump raises, inverted minors, canapé tendency,

negative free bids, transfer accepts that deny four trumps, etc.

Pre-alerts

The Pre-alerts section of your system card should include 'unusual' self-alerting calls, such as a double of 1NT that shows a 1-suiter; lack of negative doubles.

Also list methods that may require a prepared defence - complex defences to 1NT or a strong club, RCO Twos, transfer pre-empts, etc.

Scoring and Datums

Normal result sheets will not be used in this tournament. Instead datum sheets must be completed at all tables and handed to the director at the completion of each round. From these, the match result will be computed.

As an ongoing service, each pair will receive a datum analysis, by board for each match, and in total for the whole tournament. There will also be a cross table on display, showing the results of all matches.

In order to achieve this, the datum sheets must be completed and returned.

And for Light Relief

The late Keith McNeil was one of the best-known and best-liked characters on the Australian Bridge scene. He acquired international fame through his often hilarious Bidding Forum, a regular feature of *Australian Bridge* magazine. While he was the bridge columnist for the *Adelaide Daily Mail* he recorded his methods for dealing with players with whom he was not on the best of terms.

1. If you dislike someone, do not write up his/her good hands.
2. If you really dislike someone intensely, write up their bad hands.
3. If you dislike someone intensely, write up someone else's bad hands but attribute them to the player you dislike.
4. If you absolutely and utterly detest someone, write up their good hands but attribute their fine play to their partner.
