The Safilo Swiss Teams was won by:-
Keiran Crowe-mai, David Weston, Khokan Bagchi & Lynleigh Evans.

The venue:-

The organisers heard nothing but good reports. There were a couple of times that the club put some "chamber orchestra music through the PA system but that was soon stopped. The lighting was good as was the air conditioning system. Our thanks go the staff of the Hakoah Club for all their assistance in ensuring the success of the Festival.

The timetable:-

There was insufficient bridge for the Seniors on the Thursday, the first day. This has already been addressed and there will, in future, be four (4) matches. Unfortunately, a prior standing booking for the evening, prevented us from using the room beyond 5.00 pm. This actually was later changed but too late for us to alter the schedule.

Lunch, by necessity, was early on both Thursday and Friday due to the length of matches, with the break schedule between the 1st and 2nd matches.

Sunday was the day to co-ordinate the finish of all the events, if at all possible. Why was this? **There is nothing worse than having a presentation ceremony with no audience.** This meant that the Safilo Teams "ran a little bit" slow in an attempt to run the matches in parallel with the Dick Cummings Blue Pairs Final. The organizers will be looking at this for next year, and probably starting the final a little earlier.

All these matters will be addressed for next year. If you had any other concerns, then drop us a note at the above address.
